

SANTA CLAUS

has come to
MORROW & CO.'S.

The season is approaching when everyone gives presents. The child is pleased with a toy, the girl with a doll, the boy with a wagon, the young lady with a box of bonbons, the wife and mother with any remembrance whatever so it represents the respect and esteem in which she is held by those she loves. Our presents should not only be appropriate, but as far as possible represent utility. We have had this in view in the selection of our holiday stock. We are now opening in the north room of our building one of the largest and most complete assortments of

Fancy Goods, Toilet Articles, Books of all descriptions, Toys, etc.,

ever brought to Baxter Springs. It is impossible to enumerate such a stock, but we cordially invite you to visit our store and investigate it, and we have no fear of pleasing you.

AS AN INDUCEMENT to you to buy your toys of us, we have secured one of those large French made dolls, 36 inches in height, natural hair, movable limbs, sleeping eyes, elegantly dressed, value \$10, which will be displayed in our window, and every person buying \$1 worth of toys will be given a ticket entitling them to a chance in the drawing for this doll the day after Christmas.

And furthermore: Do you know that we also carry the largest stock of Drugs, Patent Medicines, Paints, Oils, Glass and Wallpaper in Cherokee county? They are bought right for cash, well selected by a buyer of experience, and sold only by registered pharmacists.

Our Book Line.—We have a very complete line of books suitable for Christmas presents. Books on travel, fiction, romance, history, poets, etc. Copyrighted and serial gilt edged and beautifully bound.

We also have a large line of Bibles and Testaments in Morocco and board binding. Teachers' Bibles, all sizes; Pocket Bibles and Testaments in flexible Morocco covers.

We have one window filled with a large assortment of piece China Ware. French Dresden and Haviland patterns. Every lady appreciates a nice piece of China.

We will appreciate it if parties wishing to make selections will come in early, as our room is small and we are not prepared to take care of the large crowds that usually wait until the day before Christmas to buy presents.

See the large French Doll in our window which we give away the day after Christmas. Get a chance for it.

We invite everybody to come in and inspect not only our holiday line, but our general stock, whether you buy anything or not.

Wishing you a Merry Christmas, we remain
Yours Resp'y, **MORROW & CO.**
